**Neighborhood Meeting Summary**

On May 5, 2025 a neighborhood meeting was held at the Good Samaritan Lutheran Church, located at 8425 W. Windmill Lane, Las Vegas, NV 89113 at 6:00 PM. The meeting was held by Bob Gronauer of Kaempfer Crowell. The meeting was properly noticed. Forty neighbors, Mike Shannon from Commissioner Jones's Office, Dagny Stapleton and Margoth Tello from the Clark County Housing Authority, and Todd Stratton from Kavison Homes attended the meeting. Overall, the neighbors were mixed in their sentiment toward the proposed project. Many were displeased with the community not being a part of the Mountains Edge Master HOA and expressed concerns about maintenance, parking, decreased property values, and traffic at the new development. Mr. Gronauer explained the current master plan designation and zoning designation, and the proposed master plan amendment and zoning designation. The potential number of lots, lot sizes, access point, private street size, setbacks, and the planned unit development were all explained. Additionally, the nature of the lot being held in Clark County's Community Land Trust was explained. The potential elevations were shown and explained along with the projected livable area and price points. The neighbors asked questions about the setback from existing homes to the new homes within the parcel, about the retaining wall size and grading, about the County acting as HOA, about access to the northern portion of the parcel, about the architectural design and compatibility with Mountains Edge. The neighbors were curious whether they would be voting on the project or what their input would be. It was explained that there will be a formal submittal of the project, a town board meeting, a planning commission meeting, and a County Commission meeting, all of which they will be notified of.
